

# **National Park Service Awards \$15 million to Help Preserve African American Civil Rights History**

(release 10/21)

St. Joseph's Historic Foundation was awarded a grant: Preservation of Historic Hayti Heritage Center: Pew Restoration, by the National Park Service as part of its program to help preserve African American civil rights history. This award in the amount of \$177,011 will be used to restore pews and millwork in the historic Performance Hall. The work will begin in 2022 as Hayti continue celebrating the its 130-year history!
